

# OUR REACH

We serve 11 counties in western Wisconsin, southeastern Minnesota, & northern Iowa with a population of 330,000 people.

We reached an estimated 1,950 people through workshops/trainings in 2016.

We hosted 51 support groups as part of our GALAXY program for kids 13-18 years old. This weekly group hosts 10-15 kids.

We helped 27 families through our PANDA program, which supports families as their children come out.

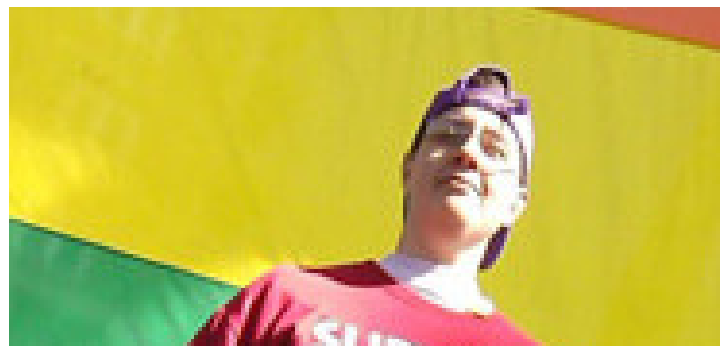

We hosted 50 Transgender/Genderqueer Gatherings with on average 10 people per group.

We relaunched our Andromeda group for LGBTQ identified people 18+ years old. We held 24 sessions with an average of 5 people in attendance.

We began hosting weekly LGBTQ-Friendly AA Open Recovery meetings in February 2017.

We added a support group for spouses/significant others of transgender individuals in February 2017.

We have a community of 5,488 people on social media and 925 people on our email list.
